New Carlisle, Ohio

Plant America!

THE CATE OF CA

SPRING 1960

SCARFF'S NURSERY INC. is situated in the fertile Miami Valley 15 miles north of Dayton, Ohio at New Carlisle. We extend an invitation to you to visit our modern nursery and new garden center at your convenience.

Our prices are as low as possible to quote consistent with a good grade of nursery stock, well grown and free from disease. These prices are based on the stock alone with packing at cost F.O.B. New Carlisle.

Scarff's Nursery Inc., guarantees to the full extent of the purchase price, that our plants are strictly first class, true to name and graded according to A.A.N. standards. We will allow five days after receipt of stock for adjustment.

Our terms are net cash. For those who have established credit with our firm, the terms are net 30 days.

New 'Midnite' Blackberry

This was our introduction in 1958 and we can unhesitatingly recommend this blackberry for its fine fruiting performance and strong, thrifty canes in comparison to other blackberry varieties. The berries are larger than Eldorado, jet black, glossy with a small core and very high in quality.
